Ankara, 19 March 2025

The Statistical, Economic and Social Research and Training Centre for Islamic Countries (SESRIC) presents its compliments to the Esteemed Ministry of Foreign Affairs of the Republic of Türkiye and has the honour to inform that, within the the framework of SESRIC Occupational Safety and Health Capacity Building (OSH-CaB) Programme and in line with the OIC Occupational Safety and Health Network (OIC-OSHNET) Work Plan 2024-2025, the Centre will organise a Training Course on “Safety and Health in the Use of Chemicals at Work”, in collaboration with Department of Occupational Safety and Health (DOSH) of the Ministry of Human Resources of Malaysia, on 9-10 April 2025 through an online video conferencing platform. The training course aims at addressing all aspects of dealing with chemicals, including production, storage, use, transport and disposal, and providing insights on approaches to problems and solutions concerning safety and health in the use of chemicals at work for the benefit of the OIC Member Countries.

In this respect, the Centre would highly appreciate if the Esteemed Ministry could kindly forward this note verbale to the relevant Ministry and National Institutions responsible for occupational safety and health, labour, national research, science and technology, public health/hygiene, human resources as well as relevant academia in the Republic of Türkiye and kindly request them to nominate representatives to attend and benefit from this training course by filling the registration form, which is available at the following link: <https://bit.ly/SESRIC-TC-SafetyChemicalsUse> by 8 April 2025, at the latest. For further inquiries about the training course, the nominee may contact SESRIC through: training@sesric.org, with a copy (cc) to cabinet@sesric.org.

The Centre avails itself of this opportunity to renew to the Esteemed Ministry of Foreign Affairs of the Republic of Türkiye the assurances of its highest consideration. SAI
